Pre-Enrolment Information

Recruitment, Enrolment & Orientation

Recruitment and enrolment at La Lingua Language School is carried out in an ethical and responsible manner and we encourage people to apply for enrolment through a variety of means, including directly at the school premises, online, or through an agent. Students are considered for enrolment without discrimination. Individual interviews are conducted to ensure applicants meet the entry requirements, are well informed and provide us with the opportunity to identify any special requirements the applicant may have. All successful applicants complete an orientation program the first day of the course to familiarise them with the Institute's services, facilities and procedures. Students will also be provided with a copy of the Student Handbook.

Student Visa Requirements

All students should be aware of the following student visa requirements:

- Students must study a full-time course which is a minimum of 20 contact hours per week;
- Students must attend a minimum of 80% of all scheduled classes;
- Students must provide current and accurate contact details to La Lingua. If contact details change, students are required to fill out a change of details form and hand it in to the office.
- Students have the right to work for up to 40 hours per fortnight while their course is in session, and unlimited hours when they are on a course break. They cannot work before their course commences.

Overseas Student Health Cover

All international visitors to Australia under a Student Visa are required by law to have Overseas Student Health Cover (OSHC). Students are required to pay for this cover prior to arriving in Australia. Students are required by the Australian Government to have OSHC for the duration of the visa.

- On enrolment all international students must pay a fee for health insurance in accordance with the length of their course.
- La Lingua forwards payment and application on behalf of new students to OSHC Allianz Global Assistance.
- Allianz Global Assistance can take up to 4 weeks to process applications and send student insurance cards back to La Lingua.
- If you have any health problems before receiving your card you are still covered. When you go to the doctor and pay for your consultation, you must ask for a receipt. Allianz Global Assistance will reimburse your money provided you produce the receipt.

Accommodation and living expenses

A single international student living in Sydney requires approximately AUD\$25,000 for living expenses each year (Australian Education International) Note: This figure does not include tuition fees. Remember that your cost of living in Sydney will vary according to your lifestyle. For example, eating out at restaurants all the time will increase your living costs a lot, as will driving a car (you will have to pay for petrol, registration, maintenance and insurance, as well as the car itself).

Suggested weekly budget (Remember figures are in Australian dollars):

- Accommodation \$150 to \$350 (for a room in a shared house or apartment)
- Food (at home) \$50 to \$120
- Public transport \$30 to \$50

Accommodation options for students:

1. **Homestay** - Our Homestay services provide an opportunity to stay with an Australian family and experience the Australian culture and lifestyle. If you need a homestay, we ask our students to fill out an accommodation form. We need at least 4 weeks notice before the arrival date to arrange it. Minimum stay is 4 weeks; for homestay fees please refer to our pricelist, fees includes meals, laundry, your own room and a student desk.

2. **Student accommodation** is located on the outskirts of the Sydney central business district in quiet and leafy suburban streets, only minutes from public transport and local shopping facilities and for about 20-30 minutes average travel time from the heart of the city. All houses are completely furnished with quality inclusions, and equipped with everything that one would need to feel safe and comfortable in a share accommodation, such as:

- Fully equipped kitchen including fridges, a microwave, a toaster, plates, cups, cutlery and cookware;
- High speed Internet connection
- TV (shared)

- Washing machine;
- We offer twin share rooms with free bed linen and bedside lamp in all rooms. To book student housing we ask our students to fill out an accommodation form at least 2 weeks before the arrival date. Minimum Stay -4 weeks; for fees please refer to our pricelist.

3. Hostel accommodation is a popular option for international students, especially in the first months of their arrival. A small, furnished room is provided with access to a shared bathroom, laundry, lounge and recreational activities. Some hostels also provide computer access. It is recommended that students considering hostel accommodation options look at two or three properties prior to making a decision.

Many hostels are privately run and as such come under the Rooming House Act. Please note, if the student signs a lease, they will be covered by the Residential Tenancies Act.

4. Apartment/flat rental varies greatly in cost and conditions. For long-term arrangements, it is strongly advised that the student is familiar with the suburb or area. For purposes of bond payment and moving arrangements the student must be available to sign agreements. For this reason international students are advised to secure short-term accommodation upon arrival so that flat and apartment hunting may be started after they have settled in and begun to seek out areas they would like to live in.

ESOS Framework

The following is from information provided by Australian Education International (AEI) (www.aei.gov.au)

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding study experience. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.deewr.gov.au>. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students.

Please check carefully that the details of your course - including its location - match the information on CRICOS.

Under-18 Student Welfare

La Lingua Under-18 Student Policies and Procedures follow the National Code 2018 (Standard 5):

- All under-18 students will be under the supervision of the underage student welfare officer (Carolyn Shi) from enrolment to graduation. The under-18 student welfare officer is the first, last and ongoing point of contact for any under-18 students. They will provide orientation to new under-18 students and will provide ongoing support and a point of contact throughout the under-18 students' enrolment period.
- All under-18 students will undertake a weekly counseling session with the under-18 welfare officer. During the session the student and under-18 student welfare officer will discuss the wellbeing and happiness of the student, covering their welfare and satisfaction with the school, the course, the lessons and their homestay experience (if applicable). These sessions are recorded on a weekly checklist form. Further input and feedback will be taken from classroom teachers, homestay families and agents, if required. All counseling and feedback on the under-18 student welfare checklist will be recorded, and signed off by the student and the under-18 student welfare officer, and kept on file.
- All under-18 students will be level-checked for their academic English level. Only students with an IELTS equivalent of 4.0-4.5 (or above) overall will be able to enter the

IELTS, EAP or EAP-1 (Pre-EAP course: Intermediate level - General English Four Skills) courses.

- Under-18 students will only be accepted into the following courses based on their entry English level;

(a) IELTS 5.5-6.5 or equivalent: EAP or IELTS preparation classes

(b) IELTS 4.0-5.0 or equivalent: EAP-1 (Pre-EAP course: Intermediate level – General English Four Skills course)

- No under-18 students can enter the General English Conversation-Centred courses or General English Four Skills courses excluding the EAP-1 stated above.

- Under-18 students are not permitted to attend school social activities, such as excursions or parties, where alcohol is present. The under-18 student welfare officer if necessary will arrange alternative supervised activities for under-18 students. Permission notes for other out of school activities will have to be signed and their parents or guardians will be informed.

- Under-18 students will be flagged on student enrolment/level check forms and class rolls by the inclusion of an asterisk (*) next to their names. This will clearly indicate to teachers, relief teachers and administration staff that the student is under-18 and that all the above policies and procedures will apply.

Your rights

The ESOS framework protects your rights, including:

- Your right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from your provider and your provider's agent. If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.
- Your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information about refunds of course money. You should keep a copy of your written agreement.
- Your right to get the education you paid for. The ESOS framework includes consumer protection that will allow you to receive a refund or to be placed in another course if your provider is unable to teach your course.

The ESOS framework sets out the standards Australian education providers offering education services to overseas students must obey. These standards cover a range of information you have a right to know and services that must be offered, including:

- orientation and access to support services to help you study and adjust to life in Australia;
- who the contact officer is for overseas students;
- if you can apply for credit transfer and/or recognition of prior learning;
- when your enrolment can be deferred, suspended or cancelled;
- what your provider's requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well;
- if attendance will be monitored for your course, and a complaints and appeals process;
- One of the standards does not allow another education provider to enrol a student who wants to transfer to another course, and has not completed six months of the final course of study planned to undertake in Australia. If the student wants to transfer beforehand the student needs the provider's permission.

Your responsibilities

As an overseas student on a student visa, you have responsibilities to:

- satisfy your student visa conditions;
- maintain your Overseas Student Health Cover (OSHC) for the period of your stay;
- meet the terms of the written agreement with your education provider;
- inform your provider if you change your address;

- maintain satisfactory course progress;
- if attendance is recorded for your course, follow your provider's attendance policy, and;
- if you are under 18, maintain your approved accommodation, support and general welfare arrangements.

Deferral, Suspension or Cancellation of Enrolment Policy

Under certain limited circumstances, a student's enrolment may be deferred, suspended or cancelled. A student's enrolment can be deferred, suspended or cancelled by La Lingua Language School, or by the student. Deferral means to delay the commencement of a course. Suspension means the temporary postponement of enrolment during a course. Cancellation means termination of enrolment in a course.

Deferral, suspension or cancellation by a student

Students who wish to defer, suspend or cancel enrolment can apply to do so only if the course in which they were enrolled is unavailable, their visa is delayed or there are compassionate or compelling circumstances. Compassionate or compelling circumstances are usually beyond the control of the student and have an impact on the student's course progress or the student's well-being. Compassionate or compelling circumstances include:

- serious injury or illness, supported by a medical certificate which states that the student was or will be unable to attend classes, bereavement of close family members such as parents or grandparents;
- major political upheaval or natural disaster in the home country, requiring emergency travel which has had an impact on the student's studies;

- traumatic experiences such as being a victim of, being involved in, or witnessing, a serious crime.

Effect of deferral, suspension or cancellation of enrolment on a student's visa

Deferral, suspension or cancellation of an enrolment is likely to have an effect on a student's visa. Students should contact the nearest Home Affairs office or refer to www.homeaffairs.gov.au for further information. All deferrals, suspensions and cancellations of enrolment are notified to Home Affairs via the PRISMS system and all documentation about the deferral, suspension or cancellation of a student is filed in the student's file.

Deferrals, suspensions or cancellations

La Lingua Language School may defer the commencement of a course if the course is not offered.

Suspension

La Lingua Language School may suspend a student for misconduct, under circumstances where the student

- has been in breach of a La Lingua rule;
- is in breach of enrolment conditions;
- is assessed as providing a threat to the well-being of other students or staff.

If the suspension of a student's enrolment will result in the student being unable to complete the course within the course duration as specified on the CoE, the student must apply for a course extension by making a written request with a Student Services Officer. The student will be advised to check with the nearest DIBP office for information about the impact of the extension of the course on the student's visa.

Holidays

Students may apply to pre-arrange a holiday during their enrolment period. If you arrange a holiday when you enroll, you must give us 2 weeks notice before you take the holiday. You also must give at least two weeks notice if the date of restarting is changed. Students will lose the lesson if notification is not given to the school. You can only change your holiday starting or restarting dates once without cost. You also cannot make another holiday request after your first holiday request. If you change your holiday dates more than once or make another holiday request, you will be charged a \$50 administration fee

Cancellation

La Lingua Language School may cancel the enrolment of a student if the student:

- is in breach of enrolment conditions;
- has been in breach of a La Lingua rule;
- is assessed by the PEO as providing a threat to the well-being of other students or staff;
- has been assessed as behaving in a way such as to constitute serious misconduct;
- fails to meet the requirements of the course progress policy;
- fails to pay tuition fees;
- fails to re-enrol.

Notice of intention to defer, suspend or cancel enrolment

Where a suspension is initiated by La Lingua Language School, the student will receive a notice of intention to suspend enrolment. In each case, the notice will clearly identify that the student will be given 20 working days to access the La Lingua 's internal complaints and appeals process. If an appeal is lodged, La Lingua will maintain the student's enrolment until the internal appeals process is complete. La Lingua Language School reserves the right to not provide learning opportunities during this process should it be deemed appropriate.

Transfer to another provider

In certain circumstances students may request to transfer to another provider. La Lingua Language School will consider any such application without prejudice, if the student has provided a letter from another registered provider confirming that an offer has been made.
